Re; Meeting Request
Info request (Open Records)

Dear Mr. Jerge,

It was a pleasure to meet with you at the P&Z meeting a couple weeks ago. Thank you for your participation and comments that day.

We (You I and Patricia Chavez) had discussed a two way meeting with your self , Sandoval County Attorney Dave Mathews and myself, regarding the proposed Northwest Corridor or Loop Rd through the Placitas BLM. You had mentioned that there had only been one meeting with Sandoval Co. regarding this Rd. and that it was the County and not the Town of Bernalillo who wanted this road as I had mentioned that Mr. Mathews had stated that the Town of Bernalillo and the BLM wanted this road.

I did try as you suggested, to set up a meeting with both of you in the same room. Due to schedule issues, I have not yet been successful.

So I would like to meet with you at this time until a future date when Mr. Mathews can meet together with us if that would be productive.

Also, I would like to ask you respectfully for;

1. Any meeting records, notes, minutes, maps, to or from or regarding Sandoval County and the Town of Bernalillo, regarding the road known as the Loop Rd, or Northwest Corridor or any new road to go through or into Placitas NM. **Informal discussion therefore no notes**
2. Any meeting records, notes, minutes, maps, to or from or regarding the BLM and the Town of Bernalillo regarding the road known as the Loop Rd, or Northwest Corridor or any new road to go through or into Placitas NM. **No discussions have taken place**
3. Any meeting records, notes, minutes, maps, to or from or regarding any Spanish land Grant and the Town of Bernalillo regarding the road known as the Loop Rd, or Northwest Corridor or any new road to go through or into Placitas NM. **No discussions have occurred**
4. Any meeting records, notes, minutes, maps, to or from or regarding any NM Government or Transportation entity and the Town of Bernalillo regarding the road known as the Loop Rd, or Northwest Corridor or any new road to go through or into Placitas NM. **No discussions have occurred**
5. Any meeting records, notes, minutes, maps, to or from or regarding any organization or citizen group or attorney and the Town of Bernalillo regarding the road known as the Loop Rd, or Northwest Corridor or any new road to go through or into Placitas NM. **No discussions have occurred**

Sorry to add to your work with this.
Thanks Much,

Patience O'Dowd co-founder WHOA
